SIR,

SUBJECT - Sanction to the proposal of the Managing Committee of the Municipal High School, Birur to raise the pay of two peons and to give a higher pay than the minimum of the grades to certain teachers newly appointed in the school.

I have the honour to state that the Managing Committee of the above said school have resolved to raise the pay of two peons and to give higher starting pay to three teachers as detailed below -

1. *To create a Laboratory Attender's place in grade Rs. 12-1-15 converting one of the existing peon's posts on Rs. 10/- with effect from 1st July 1944.*

2. *To raise the pay of another peon from Rs. 10 to Rs 12 per mensem with effect from dst July 1944.*

3. *To give starting pay to three teachers as follows.-*

   i Mr S. Desikachar, B.A., to be given Rs. 48/- in grade Rs. 40-4-60 with effect from the date of his appointment.

   ii. " V. Subrahmanyam, B.Sc., (Hons.) to be given Rs. 52/- in grade Rs. 40-4-60 with effect from the date of his appointment.

   iii. " J.B. Shankariah, Pandit to be given Rs. 36/- in grade Rs. 30-3-45 from 5th July 1944

Copies of resolutions of the Managing Committee of the school on all the above items are submitted herewith. A copy of resolution of the Municipal Council, Birur in respect of the first two items is also submitted herewith. A similar resolution of the Municipal Council, Birur, on the remaining item has not yet been received. The same has been called for and will be submitted for perusal of Government on receipt of the same in this office.

P.T.O.

There was a long delay in submitting the above proposals of the Management for orders of Government owing to prolonged correspondence between the Management and this office in obtaining the required information and it may be seen that the proposal is not complete even now since the Municipal Resolution has not yet been received as mentioned above.

There is real need for the post of a laboratory attender as the school is working with all the three classes. The Management have proposed to increase the pay of another peon on account of his satisfactor work. The Municipal Council have also agreed to the proposal.

As regards the proposal for giving a higher starting pay to the teachers referred to above, it is reported that owing to the difficult in securing the services of graduate teachers in the existing vacancies the higher pay as proposed was offered to the two graduate teachers to induce them to accept the posts. Sanction has been accorded by ---- Government in respect of similar proposals in other schools. Mr. J.B. Shankariah was a Departmental teacher who was working as Pandit of the school on a part-time allowance during the previous years and he is reported to have resigned his post in the Department and been appointed as a full-time Pandit in the school in grade Rs.30-3-45. It is proposed that he may be given two advance increments

I recommend that the proposal of the Management in respect of all the items referred to above may be kindly sanctioned with effect from the dates specified against each, the entire extra cost being met from the funds of the school as allotted by the local Municipality.

I have the honour to be,
Sir,
Your most obedient servant,
